

What kids have said about OSS Summer Camp:

“Last summer, my sister and I went to OSS summer camp. I wanted to learn to play better violin and also I wanted to have some fun. There I made many new friends and we played lots of fun stuff. My favourite class was ensemble class because the music sounds so great when we play together.”

-David, age 10

“I had so much fun at violin camp. I wish I could come back for two weeks next summer!” – *Emilie, age 6*

The summer camp was great. You can meet new people, learn new things, and enjoy many fun activities, such as swimming and group classes. You also get a chance to perform what you learned at the end of the week for the parents. It was a blast.”

-Justin, age 10

“Last year, at the OSS summer camp, I had a memorable and exhilarating experience! I was able to socialize with my friends, and perpetually practice our breathtaking music.....

-Eliza, age 12
